Deferred Payment Agreement for Utility Service Arrears

Name: _____ Acct: _____

The undersigned hereby agrees to pay the charges incurred for utility service supplied at the following address: _____

Amount owed: _____

Payment dates: _____ Amount: _____

Payment dates: _____ Amount: _____

Payment dates: _____ Amount: _____

The entire bill must be paid before the next meter reading unless you can prove hardship.

It is agreed that upon default of any installment, **the entire balance will become due** and service may be disconnected upon **eight** days written notice.

Upon default, nothing herein shall constitute a waiver of the rights on the part of the Utility to collect the unpaid balance or to prevent it from exercising its right to disconnect service because of such delinquency. In the event service is disconnected, the utility may require a deposit under PSC 185.36 to insure payment of future bill.

You have the right to suggest a different payment agreement.

If you believe the terms of this agreement are unreasonable, DO NOT SIGN IT.

If you and the utility cannot agree on terms, you may ask the commission to review the disputed issues. 1-800-225-7729.

If you sign this agreement, you agree that you owe the amount due under the agreement.

Signing this agreement does not affect your responsibility to pay for your current service. Allowing any bill for current service to become delinquent places you in default of this agreement.
