1. Resident Scott Roen appeared to discuss the shoveling problem with the sidewalk on State Rd 29 at State Street. Emerson will talk to the bus garage about moving pickup to the State Street, Stockman Street intersection as well as Pierce County about upkeep of State owned sidewalk. Currently kids cannot maneuver the steps and sidewalk after a snowfall. It is not village property, but owned by State of WI which is maintained by Pierce County but only under specific circumstances. Roen also discussed the 2021 WIDOT project and the possibility of correcting the alignment of the water/sewer laterals at 2 of those residences. Emerson will note it to be discussed when the project comes up closer to 2020/2021.
2. January 1st is Howe's last day. Tasks to be aware of were discussed.

Motion (Jacobson/Vorlicek) to adjourn. Carried
