CDBG grant funding for Eau Galle Rd was presented by Wendy and Charlie from Cedar Corp. 66% grant funding and it will be very competitive. Sidewalk will need to be addressed, bridge to Plant Street. If they were included they would not be assessed to homeowners because they would be funded with federal monies. Joel will call to have lines televised on Eau Galle rd.

Glade Ave bridge repair vs culvert – Cedar will look at grant through the county for culvert with 80/20 funding.

Motion (Huepfel/Jacobson) to adjourn 8:54 a.m. Motion carried.
