

Handy Andy Park Project

Village of Spring Valley

The Handy Andy Park Project Committee is soliciting donations for the purchase of new playground equipment and splash pad for Handy Andy Park. We have been in communication with Lee Recreation, LLC and My Splash Pad and have finalized some great designs for the new equipment (see images below).

Our goal is to raise \$157,403 for the park renovation through grants, donations and other fundraisers. The current park equipment needs updating, and we believe the addition of a new playground and splash pad will be a great asset to our community.

All donations will be recognized on a permanent display at the park. We are asking for your support and that you make a donation to this worthwhile project. **Please see the donation form (on back).**

Our first fundraiser will be a lemonade stand on **July 24th from 10am-1pm** at Spring Valley Dentistry (rain date will be July 25th from 10am-1pm). Half of the profits will go to the Handy Andy Park Project and several businesses will be making matching donations for a portion of profits made. Look for more information in the Sun-Argus or SV Dentistry website, www.svdentistry.com.

Splash Pad - \$32,436

Playground - \$124,967 (including the maintenance-free ground cover)

Donation Form

Individual or Business Name: _____

Address: _____

Contact Person: _____

City, State, Zip _____

Please indicate your donation level below:

Platinum	\$5000 or more	_____
