Members Present: O'Connell, Brunkhorst, Falde, Erickson, Emerson

Members Absent:

Staff Present: (Clerk Emerson)

Approval of Agenda: Motion (Falde/Erickson) to approve the agenda. Carried

1. Village land east of Eau Galle river is being considered for use by Boy Scout Troop 145. The land will be toured at month end when the Scoutmaster is available. Covenants have been reviewed for potential future uses. Trustees of the Katherine Buss Trust will be contacted.
2. Future senior housing planning was discussed. Start thinking about possible sites.
3. A long-range plan for old elementary site includes senior housing, walking path along river, other housing possibilities. These would be general suggestions as this is not village property.
4. Benches: there is one spot left at the Trout Pond for a bench that is being held for the Sandve bench. Colored benches have been asked about and the committee believes these would be best suited for Handy Andy Park and near the new playground equipment. Trout pond and walking trail will remain the wood-tone.

Motion (Brunkhorst/Erickson) to adjourn 9:01 a.m. Carried

Respectfully Submitted

Luann Emerson, Clerk
