**OPEN BOOK** : On Thurs., May 4th from 10:00am—NOON. the Assessment Roll will be available for you to review. Your property's assessed value as determined on 1-1-2023 will be listed in the Assessment Roll; this is the value used to determine your taxes for 2023. If you will be attending you must call Bowmar to make an appointment for that day. Reviewing your Assessed Value is the first step in contesting your property value. Bowmar Appraisal 715-835-1141. ## FROM THE PUBLIC WORKS DEPARTMENT....

Pg 2

**\*MAY 2nd-6th HYDRANT FLUSHING** If your water appears cloudy or dark, let it run until clear. Remember to check your water before washing clothes to prevent staining. Residents with water softeners should also check the cycle time of their units so that the softener does not regenerate during this time period.

**\*MAY 9th-13th CURBSIDE BRUSH PICK-UP.** Spring is here it's time to clean up our yards. Leave cleared brush and branches from your property at the curb and the guys will pick up during the week as they see it. If we miss you, call and we'll send them over! 778-5635 REMEMBER NO YARD WASTE IS ACCEPTED!

Any time through out the summer use the compost area in the business park for your yard waste and brush trimmings. The compost area is located in the business park just past Ultimate Coatings; watch for the sign. Disposing of yard waste in ditches or levees costs every tax payer money!!

**Reminder-there will be fines for leaving junk/garbage at the recycle center and illegal dumping at the compost site**

**DEDUCT METERS** may be rented from the Village Office. The purpose of a deduct meter may be for watering gardens or yards in drier weather or filling small pools. The meter will measure water used and then that will allow sewer charges on the utility billing to be credited \$5.00/1000gals of water used. There is a rental fee of 15.00 up to 2 weeks, anything after 2 weeks needs Public Works approval.

To rent a Deduct Meter contact the Village office 715 778-5635 (ext 5).

**Utility Payments** are due by the 20th of the month when utility billings have been received. Some residents have been paying with their bank accounts, which is a great way of paying. Please be aware that it seems to be taking 7 to 10 days for us to receive the payment, so be sure to allow enough time that it will be received in our office before the 20th.

**MEMORIAL BENCHES** are a great way to keep memories alive. When placed in the community with the names of those departed they can be constant reminders of the impact on our lives individuals had. The placement will be determined by the Village Board or Public Works Department, with your preference in mind. Benches are currently being placed in Handy Andy Park and along the Highway 29 walking trail. You may also have a tree planted in memory or in honor of someone. We will do a background check, issue a permit, and make sure we know who is knocking on our residents' doors. If someone comes to your door selling something, whether it's encyclopedias, siding, blacktop, fresh seafood, or anything in between, please ask to see their permit. If they don't have one, please let us know.
