

**Village of Spring Valley, Wisconsin  
Ordinance Committee  
August 10, 2023**

Chairman Huepfel called the meeting to order at 8:00 a.m. at the Village Hall.

Members Present: Huepfel, Erickson, P. Koch

Staff present: Emerson

Approval of Agenda: **Motion (P. Koch/Erickson) to approve agenda. Carried**

1. **Food trucks** – Several other WI municipality’s food truck ordinances and comments were handed out for review. Interested parties including business owners and food truck vendor were also present to voice their concerns. Currently we don’t have any specific guidelines for food trucks, they are included with general Pedler’s Permits and ordinance. Due to the volume of information, the committee will review the handouts and meet again in 1 week to discuss something that will work for all interested parties.
2. **Winter parking** – Public Works has problems with the parking situation at some apartment buildings and other areas on plow days after snow event. A sample amendment to §50-180 suggests a change to winter parking dates to extend the entire month of March, Police Department will be the party having the right to issue permits for off-street parking, and Public Works will have the authority to have alternate parking instructions as needed on specific streets generally centered around odd-even at problem streets/buildings. Clerk will write up and put on September agenda for full Board approval.
3. **Drones (unmanned aerial vehicles)** – very few examples are available, clerk will keep looking, P. Koch will check with City of River Falls. This would be for public air space. Private property owners own the space above their property.
4. No cell tower ordinance examples were available at the meeting.
5. **Junk on properties will be reviewed at the next meeting**

**Motion (Erickson/P. Koch) to adjourn 8:50 a.m.**

Respectfully Submitted \_\_\_\_\_
