Any time throughout the summer use the compost area in the business park for your yard waste and brush trimmings. The compost area is located in the business park just north of Ultimate Coatings; watch for the sign.

Golf carts used for general transportation around the Village must be registered and follow all rules and regulations in ordinances 50-142

through 50-146. Officers will issue warnings and citations for violations. Ordinances are posted on our web site at www.springvalleywi.com Registration forms are available here as well. License fee is \$25.00. Stop into the Village Office to obtain your license. This does not apply to those who live near the golf course and take their cart to and from the course/home.

Friendly Reminder: Bicycles are not to be ridden on downtown sidewalks.

MAY 5-9 HYDRANT FLUSHING Public Works will be flushing fire hydrants during this week. This is a requirement of the Public Service Commission. After flushing in your neighborhood, if your water appears cloudy or dark, let it run until clear. Remember to check your water before washing clothes to prevent staining. Residents with water softeners should also check cycle times of their units so the softener does not regenerate during this time period.
