

**Village of Spring Valley, Wisconsin
Ordinance Committee
June 3, 2025**

The meeting was called to order at 8:00 a.m. at the Village Hall.

Members Present: O'Connell, Huepfel, Erickson

Absent:

Staff present: Emerson

Also present Jay Riewestahl for the trapping item

1. The committee reviewed Animal Ordinance 6-19 Trapping. Jay lives on a large parcel zoned Ag-1 and would like to be able to trap. Trapping on Ag land is different than allowing trapping on in-town/Residential properties. Committee will allow trapping on Ag-1 zoned properties. Emerson will write it up and have at Board meeting for approval.
2. O'Connell has found a Loitering ordinance that he feels will help with the hallway security problem. Emerson gave some background on what the problems are, cameras and signing may or may not help the situation. Emerson will write it up for Section 26-5(16).
3. CDA and Planning Commission need to be added to the Ordinance Book as defined committees. Emerson thought CDA was defined when that committee was reestablished and will look for it. O'Connell had no examples available so this will be on the next agenda.
4. Food truck ordinance – different thoughts on this. Table to next meeting
5. Street Use permit – questions including number that can be issued to an organization were discussed. At this time the licensing year will change from July 1st - June 30th to January 1st - December 31st. Emerson will write up and have at Board meeting for approval.

Meeting adjourned 8:55 a.m.

Respectfully Submitted,

Luann Emerson, Administrator
