

HELP WANTED

PLOW DRIVERS

The Village of Spring Valley is seeking dedicated and skilled Snowplow Operators to join our team. The ideal candidate will have a strong background in snow removal and equipment operating experience. This role is essential for ensuring safe and efficient snow removal during winter months. This position is temporary/seasonal during the months of November – April. It is on call, 24 hours – 7 days a week. Hours are based on weather conditions

Join our team as a Snowplow Operator where your skills will contribute significantly to our community's safety during winter months

Duties

- Operate snowplow equipment to clear roads, parking lots, and sidewalks of snow and ice.
- Perform routine maintenance on snowplow vehicles and equipment to ensure optimal performance.
- Follow safety protocols while operating machinery and performing maintenance tasks.

Requirements

- Ability to work flexible hours during winter storms, including nights and weekends if necessary.
- Clean driving record to be able to operate our trucks. CDL is a plus.
- Experience in operating snowplows, mechanical knowledge is a plus.
- Strong attention to detail with a commitment to maintaining high standards of work quality.
- A valid driver's license is required; additional certifications related to equipment operation are a plus.

Applications are available on our website <https://springvalleywi.com> or in the village office.

Please contact Spring Village Public Works @ 715-245-9251 or svwwtp@svtel.net for more information. Starting pay is \$22.00/hour
