

Village of Spring Valley
Public Works Committee minutes
October 24, 2019

Call to Order: Chairperson Vorlicek called the meeting to order at 11:00 a.m. at the Village Hall.

Members Present: Vorlicek, Falde

Members absent: Huepfel

Others present: PW Lead Gausman, Clerk Emerson, Village President Marsha Brunkhorst, Greg Adams from Cedar, Steven Bruce and Keena Spencer-Dobson from WI DOT

Approval of Agenda: Motion (Falde/Huepfel) to approve the agenda. Carried

1. Wisconsin Department of Transportation met with the committee to discuss the 2021 State Rd 29 project. From Hwy 128 to Cty CC, 3 ¼" mil & overlay, deck and abutment repair of bridge, curb & gutter where needed, other misc. items. Village will likely do some repair/maintenance before or during the project such as lateral configuration, street lights, hydrant relocation/replacement, widening road to accommodate parking, storm sewer repair. State will upgrade retaining wall at State Street, eliminate steps, add a ramp and railing. State will also upgrade existing pedestrian ramps. A public information meeting will be held to see what residents on Hwy 29 want and are willing to pay for. These will be community decisions not DOT. Keena will put together a possible layout of road widths, sidewalk, parking options, and costs to both state and village. This is a resurface not a repair or replace so much of the cost will lie with the Village. Generally, if they have to disturb something, they pay for it and the restoration of the area otherwise it's local costs. Emerson will forward the noise ordinance to Keena and get a resident list ready for the public information meeting.
2. Greg Adams from Cedar reviewed grants and the possibility of MLS grant being used to extend walking trail along Van Buren. Other grant options were discussed for crossing Hwy 29 at Van Buren/CC.
3. Glade Ave bridge repair by replacing with culvert will be swap out for 2018-2019 Biennium LRIP.
4. 2020 budget is ready to present at board meeting.
5. Emerson will pull Amb/Fire lease to determine renewal date.

Motion (Vorlicek/Falde) to adjourn 1:15 p.m. Motion carried.

Respectfully submitted _____
