Approval of Agenda: Motion (Ducklow/Olson) to approve the agenda. Carried

1. Second squad purchase tabled until mid-2021
2. ES would like to meet with Dr. Haack regarding SRO going forward, we are currently not under contract. Possible mis-communication, COVID, no SRO office at the school all inhibited the initial attempt at a SRO program. Emerson will set up a meeting to move forward with a new contract.
