

Village of Spring Valley
Public Works Committee
October 30, 2020

Call to Order: Chairperson Vorlicek called the meeting to order at 7:48 a.m. at the Village Hall.

Members Present: Vorlicek, Huepfel, Falde

Members absent:

Others present: Mike Hayes PW Lead, Clerk Emerson

Approval of Agenda: Motion (Huepfel/Falde) to approve the agenda. Carried.

1. Trustee Vorlicek and the committee reviewed the past 6 months to bring everyone up to speed. Golf Rd blacktop after being torn up during snowplowing was discussed; usually resident's responsibility, cost will need to be considered as well as combining with a bigger project. Hayes will stake the area for this year. Oak and Golfview could be a future LRIP project. Larson Roofing did the PW back shed roof maintenance. Grinder at nursing home lift station needs repairing this year. Hayes will buy a commercial snow thrower for the nursing home. All PW employees will wear masks when working together and social distance, Emerson will get spray bottles of sanitizer ready for machinery so spraying can be done after all employee usage.
2. Request to eliminate 1 handicapped parking space at the Community Center was denied.
3. Plowing and mowing with Spring Lake Township on 170th Street and Hwy 29 needs to be reviewed. The splitting of duties has gotten lost in the personnel changes. Hayes will talk to Spring Lake to come up with a schedule.
4. Hayes/Vorlicek will do the WISLR report but probably not before the December 15th deadline.
5. Hayes will be on the testing schedule it resumes for DNR certification. Both Hayes and Kirby are participating in webinars to review for tests.

Meeting adjourned

Respectfully submitted _____
