

Village of Spring Valley
Public Works Committee
March 11, 2021

Call to Order: Chairperson Vorlicek called the meeting to order at 6:00 p.m. at the Village Hall.

Members Present: Vorlicek, Falde, Olson

Members absent:

Others present: Mike Hayes PW Lead, Clerk Emerson, Greg Adams Cedar Corporation.

Approval of Agenda: Motion (Vorlicek/Olson) to approve the agenda. Carried.

1. The public informational segment was presented by Greg Adams. He provided large maps of the proposed water and sewer utilities on Eau Galle Rd and water main replacement on St Rd 29 to the 15 residents present. Adams gave a timeline and proposed detours during the construction. Concerns about individual laterals in problem areas will be addressed before final bids are called for.
2. Other committee business after the public informational meeting: The generator at well 4 is not capable of keeping the well going if the power goes out. Hayes received a bid for a new one of \$68,000 which was far above committee expectations. Table. If the power goes out the Village will switch to well 3 until power is restored. Hayes will try to give Emerson lead time for discounted payables checks.

Meeting adjourned

Respectfully submitted _____
