Members Present: Vorlicek, Brunkhorst, Olson

Members absent:

Others present: PW Lead Kirby, PW employee Hoheisel, Clerk Emerson

Approval of Agenda: Motion (Brunkhorst/Olson) to approve the agenda. Carried.

1. A list of 26 violations has been reviewed and homeowners will be given the opportunity to correct them before the village makes the corrections and bills the homeowner. The violations were identified during the meter installations and most have to do with cross connections on water softener drains. There are 2 houses left that need the new meter installed. 1 will not be done at this time, the other will be given until Friday noon and then water will be shut off.
2. Sabin side of the Eau Galle Rd project is complete. Akers/Sabin will be used for Dam Days, the signs will be removed and gravel laid. All residents on Eau Galle Rd are now on temporary water and the water main was shut down this morning. All construction needs to be done by October 31st.
3. Sharon is looking into storm siren problem. Most debris has been picked up; there are a few piles left on Van Buren that weren't put out by the storm deadline so they will be removed as PW is available.
4. Initial budget was reviewed and will continue to be adjusted.
5. Gardeners will use gator for parade. Marsha will use ATV for parade. Sharon has been in contact with county on police presence during Dam Days. PW will be doing prep the week before, cleaning streets and other that weekend.
6. S. 2nd Street will not be vacated at this time. The Village will need it for snow removal and other.
7. Pressure testing private lines, Emerson will check ordinance to see if anything is referenced. Old playground equipment needs to be removed from treatment plant, check \$ value for guidelines on selling village property.

Meeting adjourned 9:20 a.m.
