

**Village of Spring Valley
Emergency Services Committee minutes
December 7, 2021**

Call to Order: Erickson called the meeting to order at 8:15 a.m. at the Village Hall.

Members Present: Erickson, Ducklow, Vorlicek

Members Absent:

Others present: Clerk Emerson, Chief Verges, Officer Lilly

Approval of previous mtg minutes: Motion (Ducklow/Erickson) to approve Nov 11 minutes. Carried

Approval of Agenda: Motion (Ducklow/Vorlicek) to approve agenda. Carried

1. Squad has been ordered through Ewald in Oconomowoc. Upgrades were lower than expected. Final with upgrades is \$38,968. Delivery from Ewald is expected in 6-9 months depending on changing situations, then lights, cage, etc. will take 2-4 days once that part gets scheduled. They will reuse anything possible from the old squad. Old squad will then be sold with proceeds going to offset cost.
2. A few winter parking permits have been issued with directions to move vehicles if there is a snow event. 2-3 citations have been issued so far this winter. Parking tickets issued by Public Works while they are actually plowing was discussed. Plow drivers would have to take time to write tickets, get out of machines, etc and then the tickets would have to be signed off on by PW-Lead Kirby which will all take time away from plowing. Public works will continue to take pictures of illegally parked vehicles while plowing and send to PD for ticketing. PD can then do all the follow up on payment within terms, etc.
3. 2021 budget was reviewed. Emerson will project year end balance for Chief.
4. General updates – ES/SV Fire Dept does not have staff to water for an ice rink at HA park. PW and community residents will be contacted. SV Auto alley situation was reviewed, he will need to clear the alley of vehicles for a snow event.

Motion (Ducklow/Vorlicek) to adjourn 9:00 a.m. Carried.

Respectfully submitted _____
