Agenda items

1. Squad: 2022s on their lot, some on production line as well. No trade on 2014, we'll sell ourselves. Direction to full board to buy Ewald pre-order.
2. LEA grant: every law enforcement agency is getting one, Village is \$7,000. There are guidelines as to what can be used for: body cams, evidence software. Officer Dulcie directed to move forward for body cam usage.
3. No changes will be made to street use permits or ordinance. Previously was discussed that Chief Verges and bar owners would work out some details. No one has initiated any conversations about it.
4. Junk vehicles remain a problem and Officer Dulcie will keep issuing citations.
5. Officer Dulcie will call 24/7 Brian again regarding IT within the PD. We will not be continuing with Whiteside/Sunnylink.
6. Budget is more manageable. There will be significant budget opportunities for a replacement vehicle and to be transferred to street projects that are in dire need of funding.
7. General updates: Various trainings coming up. Village-wide patrol continues.

Motion (Huepfel/Vorlicek) to adjourn 7:35 p.m. Carried.

Respectfully submitted

Luann Emerson, Clerk
